Universitas Triatma Mulya International *(Dalung-Bali)*

At Universitas Triatma Mulya International (UNTRIM), we integrate the welcoming nature of Balinese culture with an innovative and globally recognised standard of education.

For the past 15 years, UNTRIM International has maintained a close collaboration with NHL Stenden University of Applied Sciences in the Netherlands. This international partnership offers students with access to a diverse range of programmes, programme components, and courses within a network of 11,000 students across different countries, including the Netherlands, South Africa, Italy, Thailand, and even Japan.

About IBME

International Business Management & Entrepreneurship (IBME) is a bachelor's programme designed to cultivate (designed to shape) future leaders—young minds equipped with soft-skills and hard-skills, as well as experience and capability to establish and manage businesses.

IBME is designed to bridge theory and practice in business and is underpinned by core values such as vision, creativity, innovation, opportunity creation, and the courage to take calculated risks.

Students who successfully complete the programme are awarded the academic degree ***Sarjana Manajemen*** **(S.M.).**

UNTRIM INTERNATIONAL

ACCREDITED BY: ABEST21

YOUR PATH TO GLOBAL BUSINESS, INNOVATION & LEADERSHIP

Enrollment Requirements

Academic Requirements

To enrol in the IBME Bachelor's programme, applicants must hold a recognised high school diploma or an equivalent qualification. We welcome students from a wide range of educational backgrounds, whether they have completed a national or international curriculum.

If you are uncertain whether your qualification meets our entry requirements, our Admissions Team is available to assist you in evaluating your eligibility.

Language Requirements

As the IBME programme is delivered entirely in English, all non-native English speakers are required to demonstrate sufficient proficiency to fully participate in coursework, group projects, and discussions.
The typical English language requirements are:

- **An overall IELTS score of at least 5.5, or**
- **A minimum TOEFL iBT score of 46**

If you don't yet meet these requirements, our team can advise you on suitable resources or preparatory courses to support the development of your language skills.

Admission Fees and Other Investment

Application Fee
IDR 1.5 million
(Payable in advance upon registration)

Tuition Fee
IDR 22.5 million per semester

Development Fee
IDR 45 million
(one-time payment)
